## May Tidings

Well met, Jennifer!

An enormous thank-you to all who attended our First Annual Camlann Medieval Village Fête on Saturday, April 12! With your help, we were able to raise over \$20,000, which will go directly towards Camlann medieval cultural programming and operating costs. We are working now to prepare for our opening weekend for the 2025 season, which will be the second weekend in May, May 10-11. From then, Camlann Medieval Village is open every weekend, 12-5, May through September. When you come, be sure to say hello to Camlann's sheep, Mabel and Matilda, and to our new chickens, whose names will be announced at a naming ceremony in early June.

You may have noticed that we are working to redesign our website. Keep an eye on our new [Events page](#) for upcoming programs, including monthly festivals and feasts, our weekend village days, monthly game nights, and regular craft workshops. We are working steadily to fill our 2025 medieval craft workshop schedule. Workshop descriptions and registration will become available on the [Events page](#) as the season unfolds. Camlann has also revived our field trip program: we welcomed our first school in March and look forward to many more in the coming months. Are you interested in bringing a school group to Camlann? Or maybe in hosting a private feast for a birthday or other event? Email [events@camlann.org](mailto:events@camlann.org) for information.
